Additional Items as Required by Each Foundation

Participating foundations will require additional information or will have specific submission instructions. **You must contact each foundation directly for this information.**

Strategies for Successful Grant-Seeking:

- ♣ Research the funding interests of each foundation before applying, and obtain a copy of its annual report and/or guidelines.
- ♣ Familiarize yourself with the funder's application process, including timetable and preferred method of initial contact. It is important to note that some funders accept proposals only after an initial phone call, query letter or pre-application form. Application workshops may be required or encouraged. **In general, it is never a good idea to send out a mass mailing of proposals.**
- ♣ Follow the attached application format and any specific instructions from the funder outlined on its individual instruction sheet. The Foundation Roundtable does not accept applications itself. All proposals should be sent to the individual foundation to which you are applying.
