

WHY ROTARY

Joining Rotary gives you an opportunity to join leaders to take action on important issues affecting our community, our nation, and the world. We also have a lot of fun - whether we're socializing or working together on service projects.

Members of our Rotary club connect at weekly meetings and learn from business experts, political and civic leaders, and entrepreneurs, who help us stay informed on topics that are relevant to our community.

Together we make great things happen. We have a structure that focuses on action and positive results.

Through PolioPlus, Rotary has played a leadership role within the World Health Organization, the U.S. Centers for Disease Control and Prevention, and UNICEF in bringing the world to the brink of polio eradication. The Bill and Melinda Gates Foundation has given Rotary \$355 million in challenge grants to support PolioPlus, and has pledged up to \$35 million per year more through 2018 for the final push to eradicate the disease worldwide.

WE ARE ROTARY

Rotary brings together people like you - from all walks of life - who want to use their expertise for good. People whose sense of responsibility inspires them to give back to their communities. At Rotary, we connect for good - and form lifelong friendships in the process.

Together, we empower youth, improve health, promote peace, and advance our communities in all corners of the globe. With 1.2 million members in 34,000 clubs worldwide, Rotary is one of the largest service organizations in the world.

MAKE A DIFFERENCE

Belonging to a Rotary club provides members with an opportunity to give back to their communities and to connect with like-minded leaders and friends.

People join Rotary for many reasons, including community involvement, personal development, professional networking, and camaraderie. But perhaps the most important benefit is the satisfaction you gain from making a real difference in your community and the world.

DOING GOOD IN SANTA BARBARA

Our Rotary club is committed to making a difference in Santa Barbara. We partner with organizations to maximize our impact and expand our reach. Our projects include support for teens in the Foster Care system, sponsorship of the West Side's Bohnett Park (named after a Past President of our Rotary club), weekly delivery drivers for Meals On Wheels, and annually staffing a downtown location for the Salvation Army Bell Ringers.

Since 1987 the Rotary Club of Santa Barbara Charitable Foundation has distributed more than 1.5 million dollars to local organizations and groups making positive impacts in our local community.

DOING GOOD IN THE WORLD

Our club is partnering with Rotary Clubs in countries around the world including Nicaragua and Guatemala. Our members travel to these locations to meet with Rotarians, residents, and local officials and to serve the community by opening schools, refurbishing medical clinics, building water treatment systems and improving sanitation.
